

# Dr. Isabel Perry

## "The Safety Doctor"

Professional Speaker, Consultant, Educator, and Writer

Dr. Perry holds a bachelor's degree in design and architecture, a master's degree in safety management, and a doctorate degree in behavioral safety and adult learning. Her technical expertise is in OSHA compliance and management systems.

Dr. Perry climbed the corporate ladder in a Fortune 50 company and "broke the glass ceiling." Her ambition and hard work began at the age of 21 when she established and operated a single-family home construction business that grew to sales of \$5 million in 3 years.

### Speaking Topics

#### The Safety Scorecard:

##### How to Take Your Safety Program to the Next Level

Some organizations save \$3 for every \$1 spent on safety. By properly implementing a safety management system, you can enhance productivity, profit, and competitive advantage.

#### Safe and Secure Travels:

##### Why Jean and Aisle Seats are Poor Choices

There are no guarantees for TOTALLY safe travel. However, you can reduce the risks of becoming a victim. From the homemaker in the community to the international road-warrior...all will benefit from this informative presentation, peppered with humor.

#### Beyond the Bend in the Road:

##### Managing Crises Before They Happen

We are living in unprecedented times. In this uncertain world, "It's Better to be Safe than Sorry." Reduce your risks at work by planning for the unexpected.

#### CEO's Blueprint for Building a Safety Culture

Motivated senior managers must be committed to creating a safety environment. The CEO holds the key to turn this process "on."

#### Behavioral Safety: Strategies to

##### Promote Safe Behavior and Reduce Injuries and Costs

In the 21st century, promoting "safe behavior" will be the critical element to any successful safety program. New methods gain greater success and employee buy-in.

#### Fear Less and Live More

In a world that seems full of uncertainty, we can allow ourselves to be victims or we can take control of our lives. Learn a 3-step process to create a positive environment, which leads to better mental and physical health

### Here's What They're Saying About Dr. Perry!

"Your one tip on controlling workers' compensation costs will help our company save thousands of dollars. All the rest of your speech was a bonus. THANKS!!!"

--M. Randolph, Manager, Harris Corporation

"I only wish I had more time with Dr. Perry; my level of knowledge has increased exponentially."

--K. Gregory, International Manager, Coca-Cola

"You made the information come alive with the examples you used. You provided solutions to the same problems I deal with at work."

--G. Creek, Branch Manager, Charles Schwab
